PURE AMERICAN GIRL

Pennsylvania State Pageant

Don't miss out on the opportunity to become one of the first Pennsylvania State Representatives!
This will be a *National Televised Event!*

Pure American Girl is a natural pageant system that promotes the values of good self esteem and self-confidence in women and girls of all ages. We believe that every girl or woman has dreams and that she needs the tools and opportunities to achieve them. At PAG, we strive to aid in giving everyone those tools and opportunities. We encourage our contestants to "INSPIRE! LEAD! ACHIEVE!" and make their mark on life.

At PAG, every girl can be herself. We want everyone to make new friends and memories to last a lifetime! Our friendly and courteous staff will be with you every step of the way—from the preliminary pageant through the national competition. Our goal is to make a positive difference in the lives of everyone we touch.

Our pageant is founded on Christian-based principles. We encourage good sportsmanship and emphasize good interview and public speaking skills while helping the contestant learn more about her own style and fashion.
